Villa N°55 à Eygalières

MAXIMUM NUMBER OF GUESTS: 15

At the foot of the Alpilles mountains, this old house has been beautifully restored to its former glory. It combines the timeless charm of old stone with the elegance of modern comfort, offering its guests an exceptional setting where the Provençal art of living can be savored at every moment.

HIGHLIGHTS:

- A poetic and carefully landscaped garden
- A 55-foot swimming pool with a dedicated lounge area
- Premium amenities (fitness room, hammam, tennis court)
- A family-friendly atmosphere with a children's dormitory, educational showcase, vegetable garden, and henhouse

THE MAIN HOUSE: The villa opens onto a dramatic cathedral-style great room, filled with natural light—perfect for quiet moments of relaxation or lively evenings by the fireplace.

At its heart lies the indoor kitchen, a true gathering place that combines retro-chic character with professional-grade equipment: range, rotisserie, salamander grill, walk-in refrigerator, and an impressive solid-wood farmhouse table. An adjoining butler's pantry makes breakfast and coffee breaks effortless.

The villa features five spacious double bedrooms, each with a king-size bed, elegant en-suite bathroom, and refined amenities. One bedroom is fully accessible for guests with reduced mobility, ensuring both independence and comfort.

For younger guests, a children's dormitory has been designed as its own whimsical retreat, complete with five beds, a cozy lounge area, smart storage, and a private bathroom. An educational display featuring a scale model of the estate, figurines, and illustrated books adds a playful, immersive touch. A fully

equipped laundry room (washer, dryer) ensures convenience for families.

THE GARDEN: The villa flows naturally into a lush, poetic garden, where every element invites you to slow down and reconnect with nature. Fountains trickle softly, aromatic herbs scent the air, and donkeys and goats bring a gentle charm to every stroll.

Outdoors, a summer kitchen—equipped with a plancha grill, pizza oven, sink, and ice maker—sets the stage for shaded lunches or starlit dinners in a Mediterranean atmosphere.

The vegetable garden, overflowing with seasonal flowers and produce, invites guests to harvest freely or learn alongside Pierre, the estate's attentive caretaker. The henhouse delights both children and adults.

A labyrinth of foliage leads to an elevated platform that reveals sweeping views of the Alpilles, antique rose trellises, and lavender fields.

Recreational spaces include:

- A heated 55-foot swimming pool with sun loungers and an outdoor lounge area,
- A fitness room with state-of-the-art equipment and panoramic views of the Alpilles,
- A hammam with adjoining shower room,
- A tennis court set among centuries-old olive trees,
- A pétanque court shaded by loquat trees.

This estate is designed to bring generations together, a place where one can savor the beauty of simple pleasures—blending elegance, conviviality, and nature in perfect harmony.
